

## **Purpose:**

*We want to see every person connect with one another, connect with the mission of Forest Hill Church, and connect with their own God-given purpose.*

## **Team Structure:**

**Service Coach:** A Service Coach provides support and leader development for the Sunday Service Team. He/She will help ensure volunteer recruitment and development of team leaders and overall Sunday service functions. This person will also lead the Sunday morning huddle.

**Team Leader:** A Team Leader will lead their area by supporting each team member and ensuring the recruitment and development of each person serving on that team. He/She will make sure their area has people serving in that area each week by communicating a schedule.

**Team Member:** Each team member will commit to at least twice per month serving in their particular area and contributing to the overall success of that area of connections.

## **Roles:**

### **Greeting Team, "The Hey Team"**

The main role of the *Hey Team* is to welcome those attending services. We like to be positioned where people enter our doors and are greeted by a friendly smile and hello. Be available to answer any questions someone may have. The locations to greet are as follows...
